The letter and envelope should be treated for latent fingerprints.

The results of the examination should be furnished the Denver, Indianapolis, and Cleveland Divisions. The Laboratory should return the original letter and envelope to the Denver Division.

The INDIANAPOLIS Division will make arrangements with the Postal authorities at Ft. Wayne, Indiana, to obtain a letter directed to Mr. A. PRICE, General Delivery, since the extortion letter indicates that such a letter will be at the Post Office, Ft. Wayne. For the information of the Indianapolis Division, the COORS family has requested that the Postal authorities make available to representatives of this Bureau all first class, registered, special delivery, and parcel post mail addressed to various members of this family. It should be noted that the letter directed to A. PRICE, reportedly at Ft. Wayne, Ind., is intended for the addressee of this letter, Mr. ADOLPH COORS, II.

After obtaining the letter directed to A. PRICE from the Ft. Wayne, Ind., Post Office, it should be forwarded to the Laboratory for comparison with instant letter and no other investigation should be conducted at this time. The Denver Division should be advised of the results of this examination.

A copy of this letter is being designated for Cleveland since instant envelope was postmarked at Delphos, Ohio.

Letter #1 - COORS, POSTMARKED

DELPHOS, OHIO, 1/15/60, 4:00 P.M.

1/15/60

Q1 Envelope bearing hand printed address "MR. ADOLPH COORS II  
GOLDEN, COLORADO." postmarked "DELPHOS, OHIO FEB 15 1960  
4 PM"

Accompanying hand printed note beginning "ADOLPH COORS II....,"  
and signed on reverse side "XYZ"

Result of examination:

The envelope, Q1, is made of white bond paper con-  
taining the watermark "U S 1957" and measuring 3.70" by 6.50".  
Envelopes containing this watermark are available in U. S. Post  
Offices. This envelope bears two four-cent stamps, one of  
which is held in place with a clear plastic tape and the other  
is embossed.

The paper, Q2, is irregularly cut from a larger  
sheet of white, inexpensive, unruled stock. It measures  
roughly 3 1/2" by 5 1/2".

The note and the address on the envelope are pre-  
pared in uppercase hand printing with a soft pencil. There  
appears to be no association between this letter and other  
extortion letters growing out of the COORS case. This hand  
printing was also searched through the Anonymous Letter File,  
but nothing of significance was found. A photograph has been  
taken.
